KUB BOX H110 100X100 - AZUR

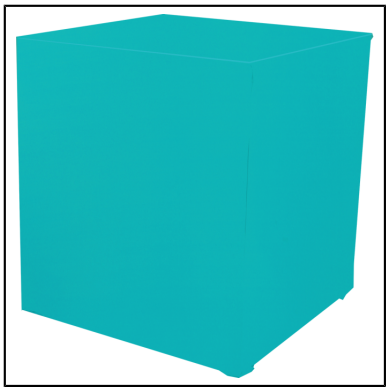

La gamme Box a été imaginée et créée par Aktuel.

Cette collection redessine vos espaces réceptifs avec des volumes colorés et très faciles à monter (quelques minutes suffisent).

La structure pliante est très légère et la housse lycra permet un aspect tendu toujours impeccable !

Le Kub Box est idéal pour une configuration de buffet central ou en tant que buffet d'angle dans un linéaire de buffet box.
